

## Purley Cross WI

### Philippi Room 2<sup>nd</sup> Thursday in month 9.45am

We are a vibrant group of women of all ages who meet regularly to enjoy a wide range of sociable activities, learn new skills, get involved in campaigns for women, and generally enjoy our lives!

Each month we engage a speaker. We have been enlightened on a diverse range of subjects from “Ghosts of Hampton Court”, the amazing “Culture and Hats of Madagascar”, and “The Challenges of Climate Change on British Farming Practices”. We have learned about the “Impact of the Victorians” and “The Wonders of Venice”. Without leaving Purley we have

found ourselves transported to exotic gardens and learnt about the incredible work local and national charities do for women and children. Subjects to enlighten and educate us.

We enjoy day trips to the coast and other visits to London – our London Walks have become a seasonal feature. Of course, we also meet

locally outside of our monthly meetings and get together for coffee or lunch – always on a good bus route if needed!

Our monthly meeting consists of business matters – domestic and national with online safety tips and advice about becoming more eco aware. We have an excellent raffle and a bountiful Sales table – both of which provide additional money for little treats like our summer tea get together and our Christmas party. Birthdays are celebrated and the welfare of our members is taken seriously and support is always on hand if needed. We enjoy delicious refreshments and a catch up with friends then sit back to listen to the speaker. What better way to spend your Thursday morning?

In addition to the above, if you become a full member and we hope that you do, you will have access to the free WI Learning Hub where online tutorials on anything from IT to craft and art and many subjects in between, are available.

We charge £5 for visitors – and as you can see you get a lot for your money along with meeting people and making new friends.

**We look forward to welcoming you**
